Premium Series Models are available with or without our patented **DURA-SHIELD® HardCover**.

PREMIUM SERIES

Featuring Strong's Exclusive Patented DURA-LAST® Cabinet System with a Lifetime Warranty!

A simple repair can be costly when spa components are buried in foam insulation. Imagine a car with the hood welded shut! Strong's acrylic spas afford easy 360° access for routine maintenance by providing energy-efficient perimeter insulation options, including our patented, dual-walled DURA-LAST® cabinet system.

- Insulated dual-walled construction. Proprietary foam insulation is sealed between resin walls, meaning easy access to spa components!
- Pump heat recycled/reused within cabinet air space for energy savings!
- Passed the rigorous California Energy Commission (CEC) Efficiency Test
- Insulated, integrated DURA-BASE® is up to 10x thicker than standard bases.
