URBANIA

INNOVASPA PROUDLY PRESENTS URBANIA.

Urbania revolutionizes the rotationally molded spa. Inspired by the latest trends and new economic values, Urbania boasts an avant-garde design and all the value added features that today's consumers demand in a spa. Cascading waterfalls, LED lighting, and the most durable and easy off/on hard cover on the market.

Urbania's seating features two, body conforming, captain's chairs, a cool down seat and a multi-leveled bench seat. Varying seat depth enables full body immersion.

READY TO USE, JUST 3 EASY STEPS !

- 1 Put in place
- 2 Fill with water
- 3 Plug in (110V)

URBANIA...FOR TIME WELL SPENT!

Urbania offers something for everyone.

Available in three models, you can enjoy up to 21 stainless steel therapy jets for those aches and pains that require extra attention. Built to withstand the coldest winters and hottest summers, Urbania is a four season spa that provides hydrotherapy and enjoyment all year long.

Optional Hard Cover

Designed to make opening and closing your spa effortless, the hard cover eliminates the strain and clumsiness normally associated with removing and replacing standard vinyl covers. And, as an added bonus, it eliminates cover replacement so you will save thousands of dollars over the lifetime of your spa.

TO LAST A LIFETIME

- Polyethylene Construction
- One piece strong construction & virtually indestructible
- Won't crack or chip
- Easy surface care vs acrylic

PORTABILITY

- Easily re-located
- Easy lift hand recesses
- Fits through most doorways
- Fits standard pickup truck bed

NO HASSLE INSTALLATION

- No site preparation required
- Will sit on any solid level surface
- No concrete or wood deck required
- 110 volt plug and play
- 220 volt compatible for greater heating efficiency
