SET THE ENVIRONMENT with e-Series™ Environments™: perfectly coordinating benches, steps, shelves and accessories built of the same materials as the hot tub cabinets. They are super strong and hold up in the harshest weather.

SET THE TONE with the soothing rhythms of the Tempo™ audio system. Equipped with the latest Bluetooth technology, optional Audio Expansion Port, or optional RF Audio Control kit, the Tempo™ audio system expands your soak time enjoyment.

SET THE MOOD with Twilight™ LED colored lights. Not only does light permeate the hot tub water, it also illuminates the cup holders and soothing water features. Regardless of the acrylic color, Twilight™ LED lights will enliven the evening with ever-evolving color. Optional Internet Wi-Fi transceiver with 1 year Cloud service expands your control of the hot tub features.

e-SERIES™ HOT TUBS ARE e-WISE: energy-wise and eco-wise. Any way you look at them, e-Series™ hot tubs are the easy, mindful choice. Easy to own and operate, they cost just pennies a day to run.

SMARTCLEAN™ SOFTWARE controls the filtration of the hot tub after you use it. It draws water and debris through the QuickSkim™ filters to eliminate body oils, dirt, and debris. Mind-free water care...how smart!

e-ZONE™ HYDROTHERAPY system delivers the perfect massage every time, in every position. From neck and shoulder Exojet™s, to whole back therapy, additionally legs and feet, you'll experience pure relief. All of the pleasure is operated by the convenient control which faces inward so it's always at your fingertips.
