Why would you ever buy a spa without one?

INNOVATIVE

- Never buy another cover
- Cover converts into a shelf/bar
- Holds over 500 pounds
- Fully insulated
- Gasket sealed for maximum efficiency
- Patented channel flow design that prevents water from pooling on top of cover
- Can be opened/closed by one person
- No more rotting, smelly, or sagging covers
- **LIFETIME WARRANTY!**

Easy to Use

- Can be Easily Opened and Closed by One Person
- No Cover Lift Required
- Opens From Front or Side with One Hand

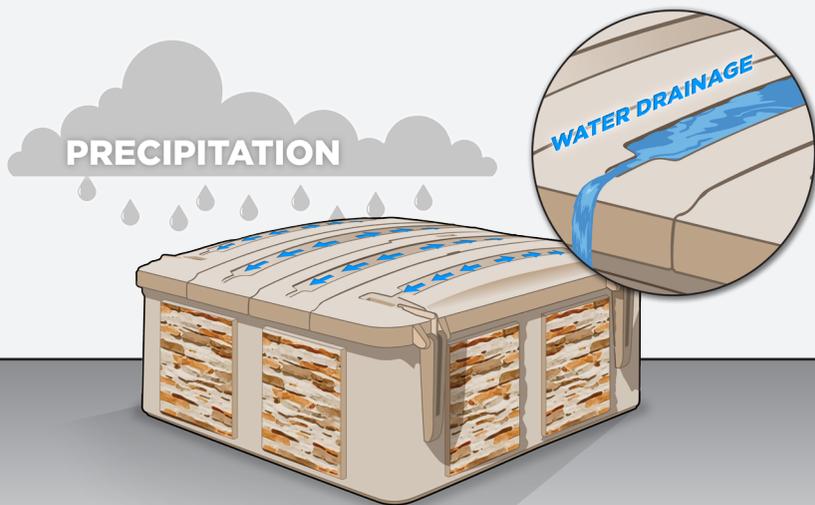

THE WORLD'S ONLY PATENTED HARD TOP SPA COVER THAT OFFERS THESE EXCLUSIVE FEATURES

- Stays horizontal so you never need to bend over, making it easier to open/close and eliminate unneeded stress on your back
- Will not obstruct the view when open, allowing for complete visibility in every direction
- Converts into a shelf when open to hold items such as towels, drinks, stereos, candles, etc
- Saves space and eliminates the need for inconvenient trays that have to be removed every time the cover is opened/closed
- Powder coated aluminum arms that will never break or need to be replaced
- Inter-locking design eliminates the need for unsightly straps

COVER RUN OFF

Exclusive Channel Flow design that prevents water from pooling on top of cover.
