A HERITAGE OF QUALITY

## Luxury that will surprise you

Legacy Whirlpool® is a unique product that combines world-class quality, outstanding therapy and luxury amenities, all at a surprisingly affordable price.

What makes the Legacy line even more of a value is that it is manufactured by Master Spas, the award-winning global leader in luxury spas. In an independent survey, Master Spas had the highest quality score of any leading manufacturer.

With Legacy, you not only get quality and reliability but features you wouldn't expect, like the maintenance free DuraMaster Premium™ polymer skirt, LED waterline lighting\* and even a backlit waterfall\*. Legacy Whirlpool is the perfect spa for your budget.

Relax. It's your moment to revive and rejuvenate.

#### HYDROTHERAPY JETS

Power away the day's stress with perfectly positioned hydrotherapy jets. Many jets are fully adjustable, which means your massage can be customized from a nice gentle touch to a maximum muscle-kneading force.

#### ENERGY EFFICIENCY

Thanks to our stringent Master Crafted building method and foam insulation, our spas have energy efficiency built in so they're easy to own and easy to enjoy.

Here's how it works: When we apply the foam insulation system, it expands to 100 times its initial volume in seconds to insulate and air-seal the hot tub. The resulting blanket of soft foam insulation forms a continuous thermal barrier that eliminates cold spots and significantly reduces energy costs. A consistent, comfortable temperature is maintained inside the hot tub, while cold air is kept outside; preventing condensation, mold and mildew. Unlike urethane foam-based systems, which lose half their R value in as little as 2 years, this foam maintains its insulation value for the life of your Legacy Whirlpool.

Every Legacy Whirlpool hot tub is built to not only meet but exceed any stringent energy efficiency regulations. All resulting in what really matters – a superior energy-efficient hot tub and savings for you and your monthly utility bill.

#### CASCADING WATERFALL

Enjoy the soothing sights and sounds of gently falling water with a cascading waterfall\*.

#### LED LIGHTING

Most Legacy Whirlpool models come standard with a sophisticated waterline LED lighting system that lets you set the perfect mood with a rainbow of tranquil colors, all with the touch of a button.

\*On select models.

### THERAPY

Every Legacy model has ergonomically designed seating that cradles your body while up to 42 specially positioned, high performance jets combine with two\* oversized pumps to provide you with pain-relieving, soul-soothing therapy.

### CLEAN, PURE WATER

You want to spend your time enjoying your spa, not worrying about water care. So we created the EcoPur® Water Purification System – an exclusive filtration system that makes maintaining your hot tub's water easier. Using the same multi-stage filtration techniques as Mother Nature, EcoPur relies on a unique blend of copper and zinc to create an electro-chemical reaction that eliminates many micro-organisms and removes heavy metals. Best of all, it is designed so your spa can be ready to use at any time, with minimal water maintenance, so you can simply relax.

\*On select models.

### INTREPID

94" x 94" x 36"	Cascade Waterfall
Dry Weight: 945 lbs Full Weight: 5,845 lbs	39 Jets
410 Gallons	2 Pumps
Seats 7 Adults	240 V / 50 Amp
Deluxe LED Lighting	EcoPur® Filtration
2 Pillows	Listing Number 3400

### ACCLAIM

94" x 94" x 36"	Cascade Waterfall
Dry Weight: 780 lbs Full Weight: 5,395 lbs	42 Jets
420 Gallons	2 Pumps
Seats 6 Adults	240 V / 50 Amp
Deluxe LED Lighting	EcoPur® Filtration
2 Pillows	Listing Number 9913

### INSPIRE

MASTER SPAS CARES FOR KIDS

Master Spas and our dealers were part of building a new elementary school in 2013, and a new high school in 2018 for the NAZ Children's Centre in Rose Hall, Jamaica. This specialized Christian school offers multiple learning strategies to accommodate the neurodiversity of their student body. With every Master Spas swim spa sold, a donation will be made to the NAZ Children's Centre Scholarship Fund.

In our hometown, we are honored to partner with the Crossing School of Business and Entrepreneurship, a faith-based high school that turns at-risk youth into tomorrow's leaders. Master Spas provides operational space for vocational training and a micro business.

MASTER SPAS CARES FOR CURES

Master Spas is pleased and proud to assist two foundations dedicated to finding and funding the cures for life-hindering diseases.

Master Spas has partnered with the Lupus Foundation of America since 2002 to raise awareness and fund research toward finding a cure for this debilitating disease that affects more than 1.5 million Americans.

Master Spas has joined forces with the Vera Bradley Foundation for Breast Cancer to eradicate breast cancer, a life-threatening disease, by providing financial support for research and research-related projects.
